

J&K POLICE HEAD QUARTERS

Subject: Performance of district and units regarding implementation of CCTNS

In order to evaluate the performance of various field units with regard to implementation of CCTNS, an analysis of the data being fed in CCTNS in 2023 was carried out. Based on the quality and quantum of data fed in CCTNS, all the Police Stations, Sub-Divisions and Districts were accordingly graded.

Key parameters that were accounted for while grading the units include IIF forms, search or reference check on ICJS, uploading of case diaries. Further, data fed was also analyzed to check the quality thereof.

Based on the weighted average score obtained by Police stations and field units, the best and worst performers are as under:

a. Top five best performing Police stations (FIR >100)

SNO	Police Station	Score obtained
