Shri Kuldeep Khoda IPS DGP J&K inspected various moving police establishments including (PHQ). Armed, Security, Crime, CID, Railway and Traffic Headquarters.

The DGP was received at PHQ lawns by senior police officers and was presented a guard of honour by a smartly attired contingent of Armed Police. The DGP visited various sections of PHQ and enquired from the officers and officials about the working of their sections. He stressed upon them to work with zeal, dedication and discipline.

Later the DGP chaired a high level meeting of heads of all wings of police organization at PHQ to discuss security scenario and law

and order situation in the State. He expressed satisfaction over the law and order situation and emphasized for restoring peace and development with the cooperation of people across the State.

"The elements, inimical to peace, should be isolated by making the people aware about their ill designs. Our focus should be to ensure peace in the State which is essential for education and developmental activities. The men in khaki have to ignore their personnel comforts and ensure peaceful atmosphere so that the people feel safe and secure," the DGP said.

He stressed upon the officers present in the meeting to maintain high alert despite dipping graph of militancy related incidents. Referring to the activities taken by the department under its Civic Action Programme, the DGP said that the

activities would continue across the State. He said that in view of the growing populace in the summer capital, the organization has realized need for more sports stadia and is approaching the authorities to identify a proper space in the city which could be developed as stadium for the youth.

He reiterated that the best singers recognized during recent singing talent hunt organized by the department at various levels across the state, would be sent to Mumbai to refine their talent further so that they could bring laurels for the State.

He hoped that the efforts of the Police Organization would yield good results and the youth would prove their talent in the fields of education, science, sports, cultural and other activities for their bright future.
