### BORDER POLICE AS SECOND LINE OF DEFENCE — CHIEF MINISTER

Chief Minister, Dr Farooq Abdullah, has lauded the role of Border District Police in Jammu and shown his desire to further expand this concept in the state to build a second line of defence to thwart attempts of

*Dr Farooq Abdullah, Chief Minister, during a visit to Marwah in Doda district.*

infiltration from across the border. The Chief Minister was addressing a meeting of the Unified Command at Srinagar on Feb. 20. He was also appreciative of the role of security and paramilitary forces and impressed upon the participants to continue pressure on the militants, who were attacking soft targets and causing harassment to innocent people. He stressed on more coordinated efforts so that the residual militancy can be eliminated and complete peace returns to the State.

### DGP INAUGURATES EXCHANGE

Shri Gurbachan Jagat, Director General of Police, J&K inaugurated a 120-port telephone exchange at Armed Police Complex, Zewan (near Srinagar) on Feb. 23. By providing a link to this exchange with the main police exchange, a long standing demand of communication link within Zewan complex and with other subscribers in Srinagar has been fulfilled. It is

proposed to provide DoT lines to this exchange for better communication. The Microwave link between Zewan Exchange and the main Police Exchange is also being considered to avoid terrestrial cabling. Shri P.S.Gill, IGP Kashmir Zone, Shri Satnam Singh, DIG Armed Police, Kashmir, Shri Navin Agarwal, DPT and Shri Abdul Samad, SP Telecom Kashmir were present on the occasion.

Police Telecom also established a separate wireless channel for North City Srinagar with control station at Khanyar. This will reduce load on the erstwhile single channel for the city and also cater to the future expansion plans.

*Shri Gurbachan Jagat, DGP, Shri P.S. Gill, IGP Kmr. and Shri Navin Agarwal, DPT at the inauguration of telephone exchange at Zewan Armed Police Complex.*

### MILITANTS SURRENDER BEFORE CHIEF SECRETARY

Ten militants of Hizbul Mujahideen outfit laid down their arms before Chief Secretary J&K, Shri Ashok Jaitley in the presence of Shri Gurbachan Jagat, Director General of Police, at Ompora in Budgam District. The militants handed over 2 UMGs, 10 AK Rifles, 1 Sniper Rifle, 2 Wireless sets, 25 KGs. of Explosives, 5 IEDs, 2 Rocket Launchers and 8 Grenades. Speaking on the occasion, the Chief Secretary welcomed the surrendered militants to the mainstream and expressed the hope that the

surrender on the eve of Lok Sabha elections would enhance sense of security among the people and improve turnout of voters. Shri P.S.Gill, IGP

Chief Secretary, Shri Ashok Jaitley speaking to a surrendered militant.

Kashmir, Shri J.P.Singh SP Budgam and Shri Deepak Salathia, SP (Ops) Budgam were also present on the occasion.

### EQUIPMENT FOR FSL AND TRAINING

As part of upgradation programme of investigation and training facilities, a number of new additions have been made to the State Forensic Science Laboratory. Two stereo Zoom Trinocular Microscopes with TV attachment have been imported for examination of question documents, hand writings, finger prints and samples of blood, semen, hair etc. A UV-visible computerised Spectrophotometer for analysing chemical constituents has been purchased from Electronics Corporation of India Ltd. A Forensic laser Microscope with a computer and laser printer for examining fire arms and ammunition, has also been imported. Other equipment acquired recently includes finger print comparator Model-2000, dust print lifting kit, Poly-ray light and Cynowand hard evidence developers. This equipment will help in better analysis of samples received in the FSL and improve training facilities in the Police Academy at Udhampur.

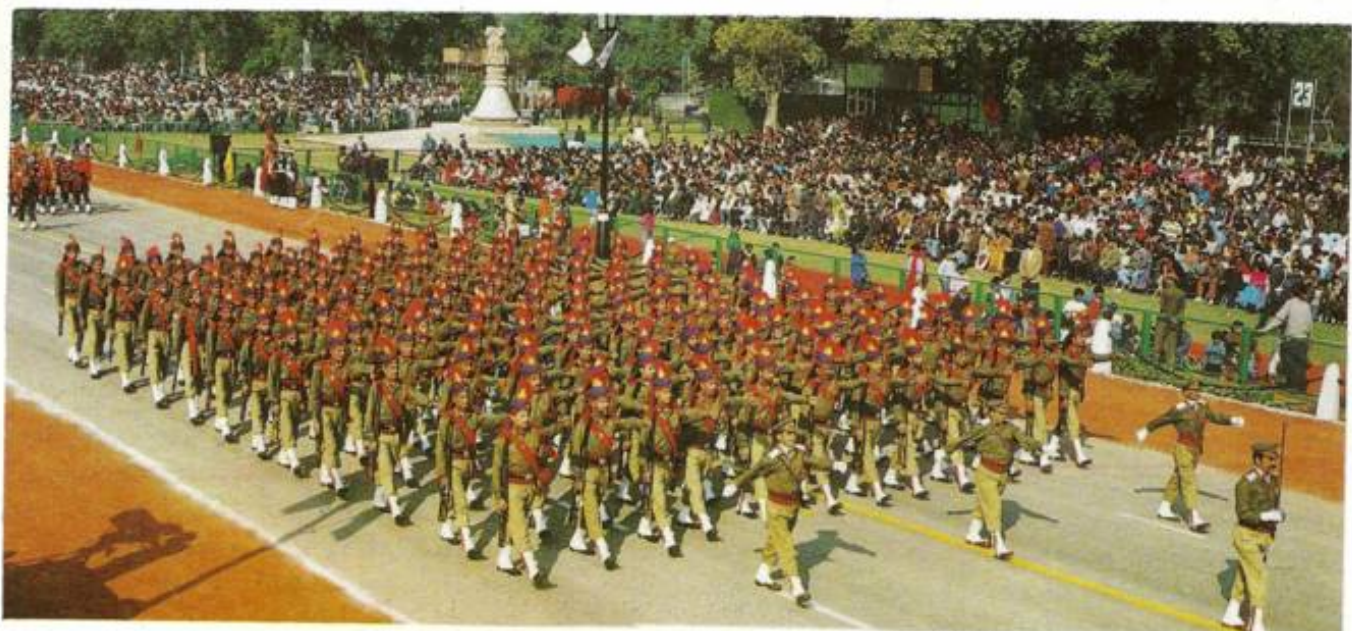

The State Police will shortly acquire a Fire Arms Training Simulator (FATS) and a computerised Finger Print record system. The FATS will be used for imparting training in firing of sophisticated weapons without wasting ammunition. For the first time a Finger Print Bureau will be set up in the State as hitherto the State Police has been using services of the Finger Print Bureau at Phillaur in Punjab. The Finger Print equipment will be able to store 30,000 ten-digit prints which can be compared with chance prints obtained from a scene of crime. It can handle 50 ten-print searches and 5 latent print searches per day.

Some recoveries made by STF Kupwara

### J&K HOMEGUARDS CONTINGENT IN REPUBLIC DAY PARADE

The J&K Homeguards contingent participated in the Republic Day Parade in New Delhi after having been specially chosen to represent 13 lakh Homeguards/Civil Defence volunteers of the country. The Director General of Homeguards, Government of India, has appreciated the performance of the J&K Homeguards contingent. In this regard, the contribution of Deputy Commandant General Homeguards/Civil Defence, Shri Ram Lubhaya, IPS has also been acclaimed. The Editorial Board compliments the participants and their managers for this outstanding performance at the national level.
